Acknowledgements

- Community Forestry and Environmental Research Partnership pre-dissertation (2008) and dissertation fellowships (2009).
- Environmental community-based organizations in the Bronx.

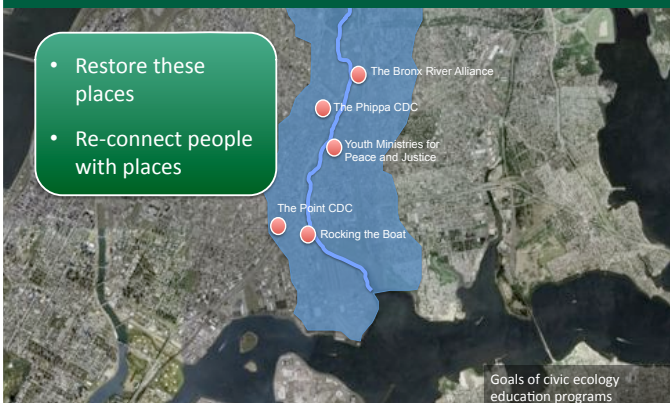

The Bronx Case Study

The Bronx Case Study

- Restore these places
- Re-connect people with places

Sense of place

Emotional ties between people and places, and meaning that people assign to places.

Williams & Vaske 2003
Ardoin 2006
Halpenny 2008
